FACULTY

Dear Colleague,

The world of internal medicine is changing at a faster pace than ever before. The practicing physician faces ever-increasing challenges to keep abreast with these changes in order to provide state-of-the-art care for patients. It's with these challenges in mind that we developed this program to provide you with updates, advances and best practices to optimize patient care in all areas of medicine.

Our course will cover all the major subspecialties, including cardiology, endocrinology, ENT and ophthalmology, gastroenterology, hematology, hepatology, infectious diseases, nephrology, neurology, oncology, psychiatry, pulmonary diseases and rheumatology, and includes a number of special symposia and keynote lectures on important topics in medicine.

Hot-off-the-press emerging topics will also be addressed, arming you with the latest information. And to ensure access to CME opportunities during the ongoing COVID-19 pandemic, this program is being live-streamed, providing an opportunity for everyone to attend by eliminating the need to travel.

Our outstanding senior faculty, from one of the premier medical institutions in our country, will cover these topics through innovative lectures, symposia, live demonstrations, ask-the-experts sessions and case-based "challenges" using the Audience Response System to anonymously test your knowledge in the different areas of medicine and compare it with that of your peers.

Whether you are preparing for certification or recertification in internal medicine or planning to attend to improve your knowledge, we are certain you will find this course most informative and inspiring and you will come away with new skills and knowledge that will help your patients lead healthier and happier lives. We hope you will join us in December!

With best wishes,

Sanjiv Chopra, MD, MACP, FRCP (London)
Martin J. Abrahamson, MD, FACP

COMPREHENSIVE REVIEW OF INTERNAL MEDICINE

This course offers new and returning attendees the opportunity to stay current with annual advances across every major area of general medicine. Designed by and for clinicians, the curriculum focuses on state-of-the-art approaches to the challenges you face and the best ways to apply these approaches to your practice.

Reasons to Attend

Internists, medical specialists, physicians, PAs and NPs from around the world attend this intensive course for updates, advances and best practices to optimize screening, diagnosis and management of patient care in all areas of medicine, including:

- Artificial intelligence
- Cardiology
- Common orthopedic conditions
- COVID-19
- Endocrinology
- ENT and ophthalmology
- Gastroenterology
- Hematology
- Hepatology
- Infectious diseases
- Leadership in medicine
- Medical and surgical management of obesity
- Nephrology
- Neurology
- Nutrition
- Oncology
- Opiates for chronic pain
- Psychiatry
- Pulmonary diseases
- Rheumatology
- Sleep deprivation
- Stem cells

Engaging Sessions with Prominent Experts

Our outstanding faculty, recognized as experts in the field, will teach you how to incorporate the latest tests and tools into your practice. We will discuss challenging cases and treatments and give you ample opportunity to ask questions of and interact with leading experts. Course material will be presented through formats that include:

- Innovative lectures
- Valuable case-based sessions
- Live demonstrations
- Question-and-answer panels
- Interactive discussions

WHO SHOULD ATTEND?

Clinicians seeking a useful and comprehensive review that ensures they are up to date across all major fields in medicine. This includes:

- Internists
- Family medicine physicians
- Medical specialists
- PAs
- Nurse practitioners
- Physicians preparing for the recertification examination or internal medicine boards
- Other medical professionals interested in refreshing their knowledge

Learning Objectives

1. Integrate new knowledge and research findings into the evaluation and treatment of common and uncommon medical disorders.
2. Apply up-to-date screening recommendations for breast, ovarian, lung, colon and prostate cancer.
3. Treat patients with or at risk for diabetes.
4. Interpret liver function tests and understand advances made in the treatment of infectious hepatitis.
5. Provide state-of-the-art care to patients with a wide range of disorders commonly seen in the primary care provider's practice.
6. Identify strategies to optimize the impact of lifestyle interventions in the treatment of obesity.
7. Inform and inspire colleagues to prevent burnout and lead in effective ways.

Accreditation

The Harvard Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The Harvard Medical School designates this live activity for a maximum of 54.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM Maintenance of Certification

Successful completion of this CME activity enables the participant to earn up to 54.00 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC points.

American Academy of Family Physicians Accreditation

The AAFP has reviewed Update in Internal Medicine - 2021 and deemed it acceptable for up to 54.00 Online Only, Live AAFP Prescribed credit. Term of Approval is from 12/05/2021 to 12/11/2021. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurse Practitioners and Registered Nurses

For the purpose of recertification, the American Academy of Nurse Practitioners Certification Board and American Nurses Credentialing Center accept *AMA PRA Category 1 Credit™* issued by organizations accredited by the Accreditation Council for Continuing Medical Education (ACCME). We would also suggest that learners check with their state licensing board to ensure they accept reciprocity with *AMA PRA Category 1 Credit™* for relicensure.

Physician Assistants

The National Commission on Certification of Physician Assistants (NCCPA) states that *AMA PRA Category 1 Credits™* are acceptable for continuing medical education requirements for recertification. We would also suggest that learners check with their state licensing board to ensure they accept reciprocity with *AMA PRA Category 1 Credit™* for relicensure.

Risk Management

This activity meets the criteria of the Massachusetts Board of Registration in Medicine for 10.25 credits of Risk Management Study. This includes 1.00 credit of Opioid Education and Pain Management Training.

Canadian and European Accreditation

Please visit UpdateInternalMedicine.com/Accreditation for details.

Disclaimer

CME activities accredited by Harvard Medical School are offered solely for educational purposes and do not constitute any form of certification of competency. Practitioners should always consult additional sources of information and exercise their best professional judgment before making clinical decisions of any kind.

Program changes/substitutions may be made without notice. To view the most up-to-date agenda, please visit the course website.
